SUMMARY

Award-winning journalist with 8+ years of reporting experience in television and multimedia journalism. Currently pursuing an M.J. at UC Berkeley, with experience covering public policy, education, health, government, and underserved communities.

EDUCATION

University of California, Berkeley — Graduate School of Journalism	Berkeley, CA
<i>Master of Journalism</i>	2026–2028

Moi University	Kenya
<i>B.A., Media Science</i>	2012–2016

EXPERIENCE

M.J. Candidate	2026–2028
<i>UC Berkeley Graduate School of Journalism</i>	<i>Berkeley, CA</i>

- Developing Bay Area reporting experience through field reporting, interviews, research, fact-checking, and public-records research; building a local portfolio through Berkeley Journalism opportunities, including Richmond Confidential.

Television Reporter / Education Correspondent	2017–2021
<i>Royal Media Services — Citizen TV</i>	<i>Nairobi, Kenya</i>

- Reported and produced enterprise and breaking-news stories on education, government, public policy, health, and community issues for a national television audience.
- Researched stories, developed sources, conducted interviews, verified information, wrote scripts, and produced field reports under newsroom deadlines.
- Reported on how government policies and public programs affected families, students, and underserved communities.

Head of Corporate Communications & Public Relations	2025
<i>Kenya Institute of Special Education (KISE)</i>	<i>Nairobi, Kenya</i>

- Produced multimedia stories on disability, education, inclusion, and access to public services.
- Created and launched Inside KISE, producing approximately two stories weekly and reaching an estimated 100,000-person audience.
- Interviewed government officials, educators, specialists, development partners, and community stakeholders.
